John.
The ES routed the attached to me since supposedly we are responsible for action on this proposed EO.

3. DCI

The D/OIS is preparing a response for the DCI to OMB. One of the major issues bothering Agency personnel is that OMB failed to include language which the Agency recommended so that the presumption of damage would include not only sources and methods but also Special Activities.

A key issue within the Agency is the deletion of the DCI's SIGINT responsibilities.

We have a response date of 19 Feb for the DCI's response.
